About

146+ isometric tiles inspired by Mediterranean architecture. The art style allows for quick customization and it is ideal to build isometric cities quickly. The pack contains various tiles for buildings, historic places, environmental elements, and many more.

Technical Details

Each Tile comes in a .psd file. Small tiles are setup within 305px x 305px grid. Big Building Tiles come in various sizes.

CAUTION

[1] Photoshop files are all flattened.

[2] Tiles are not pre-packaged in sprite sheets.

What is inside:
